PREFACE

This series of Books were born out of many years of experience in Nursery and Primary Education in West African Countries. It is a product of thorough research into the basic needs of children in both Verbal and Quantitative Aptitudes.

Though, there are many other book, but UNIQUE Series of books stand out as the best today.

The books were written by well qualified and experienced Educationalist, school Proprietress, Head Teachers and School Supervisors.

Dear Reader, you will agree with me, that the whole world is dynamic, there are newly discovered breakthroughs in Science and Technology, also Education is not an exception.

The exercises are loaded with simple examples intelligent questions that will develop the reasoning abilities of the children.

The books can be used at home and in school, the texts are simple but they are intelligent sampling, it is sincerely hopeful that children would be able to have brilliant performances in texts and other important examinations that come their way. I hereby recommend UNIQUE VERBAL REASONING for Nursery schools, school administrators, Head Teachers, and parents at home as your best in NURSERY books.

It is hopeful that you will enjoy using and adopting UNIQUE Books
